

## **COLLEGE AIMS & STATEMENT OF BOARDING PRINCIPLES**

2025/26

### **College Aims:**

- RIC aims to give students an enjoyable and successful experience of school in an international environment with small classes and high quality teaching and pastoral care.
- There is a strong focus on examination success and preparation for university whilst also nurturing personal development in a lively, supportive, and informal atmosphere.
- We encourage students to search for their own answers, to voice their opinions, to think critically, creatively and independently. We value academic and creative achievements equally.
- Admission based on motivation, effort, and good conduct, not on prior attainment alone
- We aim for students to leave us not only with exam success but also with enthusiasm for the future, self-awareness and confidence about themselves and their education.
- The college ethos is designed to foster respect, challenge prejudice and develop an imaginative and informed mindset.
- The college aims to play a role in the local community with a particular emphasis on the arts and the environment and to support the growth, welfare and development of its staff.

### **Statement of Boarding Principles:**

Our aim in the boarding is to ensure that all students are well supported to live in an international environment where the informality of a College is combined with supervision appropriate to the age of the students.

We understand that our boarding students are often far away from home and our aim is to ensure that they:

- Live and learn in a safe and secure environment
- Thrive in a caring atmosphere
- Have clean and comfortable accommodation
- Are well fed
- Are able to talk to a member of staff or an independent contact about any issue or concern
- Receive as much attention as they need
- Are happy and well looked after
- Have the opportunity to express their wishes
- Are respected
