

ANTI-BULLYING POLICY

2024/25

This policy is based on DfE guidance “*Preventing and Tackling Bullying*” July 2017 and supporting documents. It also considers the DfE statutory guidance “*Keeping Children Safe in Education*” 2024 and “*Sexual violence and sexual harassment between children in colleges and colleges*” guidance.

1) Policy Objectives

- This policy outlines what RIC will do to prevent and tackle all forms of bullying.
- RIC is committed to developing an anti-bullying culture where the bullying of adults and students is not tolerated in any form.
- This policy is also applicable in the boarding residences.

2) Links with Other college Policies and Practices

This policy links with several college policies, practices and action plans including:

- Behaviour policy
- Complaints policy
- Safeguarding and Child Protection policy
- Confidentiality policy
- Online Safety Policy
- Curriculum policies, such as, RSE, PSHE, and computing
- Searching and confiscation policy.

3) Links to Legislation

There are several pieces of legislation which set out measures and actions for colleges in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989, 2004
- The Education (Independent college Standards) Regulations 2015
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986, 2023

4) Responsibilities

It is the responsibility of:

- The Principal to communicate this policy to the college community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the college.
- Students to abide by the policy.

5) Definition of Bullying

- Bullying can be defined as '*behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally*'. DfE 'Preventing and Tackling Bullying
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- RIC recognises that bullying can be emotionally abusive and can cause severe and adverse effects on our students emotional development.
- Bullying is recognised by RIC as being a form of child on child abuse.
 - Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6) Forms and Types of Bullying Covered by this Policy

- Bullying can happen to anyone. This policy covers all types and forms of bullying including but not limited to:
 - Bullying related to physical appearance

- Bullying related to physical/mental health conditions

7) College Ethos

- RIC community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our college can help to create a safe environment, where students are able to learn and fulfil their potential.

Our Community:

- Understands the importance of challenging inappropriate behaviours between peers.
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include students with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.

- Requires all members of the community to work with the college to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the college response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.
- We recognise that unlike at day schools, boarders who are being bullied (off line) cannot escape their bullies for long periods of time as they are not going home as often - this will be considered in line with any concerns raised.

- The following steps will be taken when dealing with any incidents of bullying reported to the college:
- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

- The Principal, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the college, this will include recording appropriate details regarding decisions and action taken.
- The college will speak with and inform other staff members, where appropriate.
- The college will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate sanctions and support, for example as identified within the college behaviour policy and safeguarding and child protection policy, will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or the local authority if a child is felt to be at risk of significant harm.
- Where the bullying of or by students takes place off college site or outside of normal college hours (including cyberbullying), the college will ensure that the concern is fully investigated and responded to in line with this policy and the college behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

 - Confiscating and searching students' electronic devices, such as mobile phones, in accordance with the law and the college searching and confiscation policy.
 - Requesting the deletion of locally-held content and content posted online if they contravene college behavioural policies.
- Where an individual can be identified, the college will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.
